WORDS FROM THE PASTOR

We have a new mouse in the church. Don’t get excited. Dempsey had found our old mouse with leaked batteries some time ago. I had found an old that I brought down here. It has not worked well, so I went to Staples this week. It works great.

We spent considerable time this week reclaiming our property for the jungle that continuous rain had produced. We were so thankful for the rain of which we were so much in need, but my place was really looking wooly.

Tuesday was the opening day of Texas Baptist Institute. Judy and I were able to attend the special opening sermon. Matt and David are back for their third year and there is a good number in the first year class. We enjoyed visiting with a 34 year old student from Japan. I knew his pastor and father while we were in Japan. In fact, his parents have moved to the same neighborhood where we spent our last time there.

We were also able to have a State History and Archives Committee meeting while at TBI on Wednesday. This was a very productive meeting. A man who lives in DeKalb was visiting our meeting and shared valuable information that will be useful later. He is so close to home.

Our love and sympathy is extended to the family of Rudy Edward whose funeral was on Saturday.

BUSINESS MEETING NOTES

In business meeting last Sunday evening all current officers were re-elected for the new Sunday School year, with the exception of VBS Director. Pam Daniels was elected. Mrs. Martha has done a superb job at taking this responsibility, but feels it is time for a younger person to replace her.

MEN’S FELLOWSHIP/LADIES AUXILIARY

Beginning the first Wednesday of September, the ladies and men will meet separately every other week. The Ladies Auxiliary have a prayer concern; someone to minister to our children who come on Wednesday night.
