WORDS FROM THE PASTOR

We had a good turnout of our folk at the revival service at Argo. The music was very entertaining and the preaching was not at all boring. If you went, I hope that you were blessed by your attendance.

We are down to the third week of September. We will be having our monthly business meeting tonight. The youth meeting will be meeting at Concord tomorrow night. We are hoping that many of you will contribute to the pounding that is being gathered at Spring Hill, September 28. The Sibley's will be in town to make the pickup.

October will be filled with many exciting events, including the Mattingly Family being with us the evening before the Hopewell Association's annual meeting. This will be a Wednesday night (12th). If we all put it on our calendar and begin telling our friends now, we could have a good group in attendance.

I joined up with a virtual walking partner in TN about a month ago which has kept me on track in my efforts to exercise. In this month three others have joined us. He and I have known each other for years, but our friendship has deepened in this endeavor. We had a 47 minute phone chat yesterday. It is always a good thing to work on relationships that are positive.

TRAINING FOR THE FUTURE

The Hopewell Youth Association was organized years ago. Its purpose is to meet for fellowship with youth of other ABA churches and to offer an opportunity to train them for future work in our churches as adults. A look in the Hopewell Minutes each year helps everyone to understand that the organization is such, that should one young man surrender to preach/pastor in the future he will already have knowledge of how to conduct a business meeting, lead the singing, pray in public, serve others. In recent years extra - curricular school activities have hurt the ministry. Parents have to ask themselves; Which is more important? The youth fellowship is grateful to those churches who continue to support the work even though there might not be any youth participating at the time. Tomorrow evening Concord Missionary Baptist Church in Omaha will host the first meeting for the new school year. We do have some young people who can participate, along with adults who just want to support the ministry. It begins at 7 p.m.

DON'T FORGET

Upcoming poundings: the victims of the Louisiana flood and TBI.
